

### ERRATA

In the *Index to Biographical Sketches and Obituaries in Publications of the Ohio Academy of Science, 1900-1970*, which appeared in the July, 1970, issue of the *Journal*, the page numbers for the 1970 (Volume 70) entries from *The Ohio Journal of Science*, through the fault of the Editor, were given as 000-000. The correct page numbers are as follows:

Balduf, Walter Valentine, p. 239.	McCracken, Richard E., p. 242.
Barnett, Roger Allen, p. 239-240	Park, Orlando, p. 242-243.
Boord, Cecil Ernest, p. 240.	Pearse, John P., p. 243.
Brown, John Bernis, p. 240.	Richardson, John Sanford, p. 243.
Dambach, Charles Arthur, p. 240-241.	Stover, Ernest Lincoln, p. 243.
Edwards, Linden Forest, p. 241.	Vogel, Phillip H., S.J., p. 243-244.
Klement, W. W., p. 242.	Watkins, Margaret J., p. 244.
Mahr, August Carl, p. 245.	Wolfrom, Melville Lawrence, p. 244.

In addition, in both this *Index* and in the *Necrology*, Dr. Kreckler's birth year is incorrectly given as 1891; it should read 1881. Also, John Henry Schaffner was born in 1866.
